RE: Correction of message 7009310, dated 01/09/2017 concerning the countervailing duty order on multilayered wood flooring from the People s Republic of China (C-570-971)

1. This is a correction to message 7009310, dated 01/09/2017, to correct paragraph 1 of that message. We are correcting the case number in that paragraph.
2. Paragraph 1 of message 7009310 contains an incorrect case number. Below is the fully corrected message.
3. On 12/14/2016, in response to a scope ruling request from Dunhua Shengda Wood Industry Co., Ltd., Commerce issued a final scope ruling that the two-layer wood flooring products covered by the ruling request are not within the scope of the countervailing duty order on multilayered wood flooring from the People's Republic of China (C-570-971).
4. Specifically, Commerce determined that two-layer wood flooring products covered by the ruling request are outside the scope of the order because they lack the requisite two or more layers or plies of wood veneer in combination with a core.
5. This ruling is applicable regardless of foreign producer, exporter or importer.
6. For all entries of two-layer wood flooring products covered by the ruling that were entered, or withdrawn from warehouse for consumption, on or after 4/6/2011 (the first date of suspension in this proceeding), and remain unliquidated as of 12/14/2016 (the date of the final ruling), CBP shall terminate suspension and liquidate such entries without regard to countervailing duties.
7. Refund any cash deposits and release any bonds relating to the products described in paragraph 4 above.
8. The assessment of countervailing duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated countervailing duties. The interest provisions are not

applicable to cash or bonds posted as estimated countervailing duties before the date of publication of the countervailing duty order. Interest shall be calculated from the date the payment of estimated countervailing duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

9. Unless instructed otherwise, for shipments of merchandise covered by the scope of the order you shall continue to collect cash deposits of estimated countervailing duties for the merchandise at the current rates.
